NORTHWAY
CHURCH

PROGRESS & INCONVENIENCES

Dear Northway Church,

If you've driven by our campus this week, you've likely noticed the construction trailer that is now sitting on our property. Over the next several days, our team at Sheridan Construction will be preparing our site and getting ready to begin work on our project. We are very excited about seeing dirt turning over and the beginning stages of construction, knowing that each step brings us closer to the completion of this project.

Having said that, we will experience a number of inconveniences over the next ten months. Sheridan Construction has promised to do their best to keep disruptions to our programming to a minimum, but we recognize as well that these disruptions are necessary in order to complete the project in a timely manner.

Sheridan has done a tremendous job of communicating to us what will happen over the next several weeks, and will continue to give us updates throughout this project. We will then be able to communicate to you exactly what to expect when you arrive on Sunday for worship or at other times during the week. Initially, our biggest challenge will be limited parking. We will let you know where you need to park and how to best enter the church. Please watch for this information coming to you through the weekly building update, The Link, and social media.

Also, we are going to need more volunteers serving in our parking lot and as greeters/hosts during this time to help us direct traffic, welcome visitors, etc. If you are not currently serving on Sunday mornings and would be open to one of these roles, please contact Phil Anderson as soon as possible:

panderson@northwaychurch.net. He would be more than happy to discuss with you how you can best assist us during this time.

Finally, this Sunday we will not only be honoring our mothers with a special treat, but we will also begin a new sermon series that will be a guide for us during this next phase in the life of our church. I hope you will plan to be with us this weekend.

See you Sunday!

Your Pastor,
Kevin

ADULTS & CHURCH-WIDE

Volunteer Appreciation Dinner Sunday May 21 | 5:30-7:30 PM Fish'n Pig

All volunteers in every area of ministry are invited to our annual Volunteer Appreciation Dinner at the Fish'n Pig restaurant on Mosely Dixon Rd. at Lake Tobosofkee. It will be a fun and casual event for all those who serve to make ministry happen at Northway Church! Our volunteers are truly Life Savers as every position plays a role in impacting people for God's Kingdom.

If you volunteer in any area of the church, plan to join us on Sunday, May 21st, from 5:30-7:30 pm (we'll have the entire place to ourselves). We'll do some fun activities and you'll hear some examples of how our volunteers make a difference. Childcare will be available at the church from 5:00 – 8:00 pm. To join us, RSVP is required for both the meal and childcare. Simply [click here](#) to indicate your response by May 15th. For more information, contact Alana Garrison at 478.476.1971 or agarrison@northwaychurch.net.

JOIN THE **TEAM** & HELP US **GROW!**

With our expansion project about to begin, it creates more opportunities for volunteers to serve in ministry! With parking being limited and access to the existing building being altered beginning May 21, we will want to communicate well with those who attend on Sundays — particularly our guests. So, would you consider joining us to help make a positive experience for all who attend Northway?

The following are opportunities that will be particularly needed over the next 9-10 weeks. We understand people will be away on vacations, so consider volunteering for 2-3 times each month. We can work with your schedule! And as always, we want all volunteers to serve during one hour and attend worship the other hour.

- **Parking Lot Greeters** — direct traffic and assist with parking.
- **Shuttle Drivers** — use of church van and/or golf carts to shuttle people from Walmart parking lot.
- **Greeters** — Welcome and assist all worshippers at each entrance.
- **Safety Team** — Assist at entry areas to provide safe environments particularly for our children.
- **Coffee Team** — Provide set-up and clean up for coffee areas (once a month)

If you would like to help us grow, click [here](#) to sign up for your place to serve! If you have questions, contact Phil Anderson: panderson@northwaychurch.net
