## PUSHING RESET

Every now and then we get the opportunity to push the “reset” button in our lives. Sometimes this opportunity comes in dramatic ways: changing jobs, moving to another city, or starting a new school. Other times, these changes come in smaller ways: moving into a new house, losing weight, or the beginning of a new year.

Another time we get this opportunity is when the summer season is over and we enter back into the routine of life. We can use this time to start new habits, declutter, or reevaluate our priorities, time, and schedules.

This August we will be taking the time to examine our lives, our choices, and the way those choices influence our future. This Sunday, August 6, I will begin a new series entitled, “*Future Me.*” The core principle we will discuss in this series is the following: ***The decisions I make today determine the life I live tomorrow.*** Our decisions in the present determine the type of life we live in the future. I hope you’ll plan on being with us this Sunday as we kick off this four-week series.

As part of this new series, I am again writing the daily devotions you will receive in your inbox each morning. Please be sure to check that email from Northway and read the devotion. These will complement what we are talking about each Sunday.

Also, this Sunday we will have a surprise for everyone who attends our worship services. I’ve been given strict orders to keep this a secret, so don’t try to coax it out of me. But if you do want to try, cash can work wonders...

Finally, this Sunday our newly constructed parking lot will be open for the first time! We will not have striping on any of the new section, so please follow the instructions of our parking lot team on where to park. We have opted to not pay for temporary striping (saving us several thousand dollars), but this will require everyone following the directions of our parking team very carefully. Their job is to get everyone parked safely and efficiently, and your help in this matter is greatly appreciated!

In addition to our very capable parking lot team, we plan to have a police officer at our exit this Sunday helping the flow of cars from our parking lot into traffic. Again, please carefully follow the officer’s instructions, and please be patient this Sunday as we expect one of our largest crowds of the year.

I look forward to seeing you on Sunday as we begin our new church year!

Your Pastor,  
Kevin

# ADULTS & CHURCH-WIDE

## DISCOVER NORTHWAY

August 13 | 5:00 - 7:00 PM | Student Room

Interested in becoming a member of Northway Church? Then Discover Northway is for you! This is a class offered three to four times each year as an opportunity for you to learn more about our church. Dinner is provided followed by a discussion led by our Lead Pastor, Kevin Mills.

Over the course of the evening, you will discover the characteristics that make Northway unique including our vision, purpose, beliefs, and ministries. As a result of attending, it is our hope that you will identify a "next step" in your involvement at the church. At the conclusion of the evening you'll also have the opportunity to become a member of the church, though there is no obligation to do so. Childcare is available, so please be sure to indicate your need!

## NEXT @ NORTHWAY

Sundays | 9:15 AM | Room M-2

If you've been attending Northway for a while and want to learn more about the church and its ministries, check out Next@Northway! Next@Northway is a casual, conversational environment that meets each Sunday through August at 9:15am in room M-2. During the classes we explain the "C3" vision of the church, and share the many opportunities in which someone can be involved. No registration required....just grab some coffee and show up any Sunday as you're able (weekly attendance is not required)!

# FAMILY MINISTRIES

**3K & 4K TEACHERS!**  
**LARGE GROUP LEADERS!**

**SERVE IN PRESCHOOL!**

We're looking for hands and feet, people: come serve at Northway! Our amazing team in preschool have some openings: floaters, 3k teachers, and large group leaders. Serving is a beautiful way to serve the next generation and be the hands and feet of Jesus! Let's show these kids what it looks like to serve and love like Jesus did.
